

# CalMediConnect Benefits

Cal MediConnect combines all your Medicare and Medi-Cal benefits into a single health plan.

This health plan option can help you get the care you need. For example, they can help you set up doctor's appointments, connect you to dental services, and make sure you have transportation. The plan will help your doctors work together as a team to meet your health needs.

Cal MediConnect health plans also give you extra benefits at no additional cost, such as vision and care coordination.

Your Cal MediConnect care coordinator helps piece all your health care services together.

# Do you have Medicare and Medi-Cal?

If so, you can combine all your Medicare and Medi-Cal benefits under one health plan called **Cal MediConnect**. You can continue seeing your doctors and specialists if they work with a Cal MediConnect plan.

## Each Cal MediConnect Plan Covers:

- ✓ All **Medicare** (Parts A, B, and D) and **Medi-Cal** services under one plan
- ✓ Your **Long-Term Services and Supports (LTSS)**, also coordinated by the plan

Long-Term Services and Supports include:

- Community-Based Adults Services (CBAS)
- In-Home Supportive Services (IHSS)
- Multipurpose Senior Services Program (MSSP)
- Nursing home care

## Benefits of Joining Cal MediConnect

- ▶ You'll **only have one card** to present at medical appointments and **one phone number** to call for help
- ▶ Your Long-Term Services and Supports (including IHSS) **stay exactly the same**
- ▶ **Extra vision benefits** - some plans give extra dental benefits
- ▶ You'll have access to a **care coordinator**

## How Can a Care Coordinator Help Me?

A care coordinator is a social worker or nurse who helps you manage your health care services and suggests other support that may be helpful.

Your care coordinator can:

- ▶ **get referrals** from your primary care doctor to see specialists
- ▶ **set up continuity of care** so you can see your important out-of-network providers for a limited time
- ▶ **help arrange for transportation** to medically-related appointments
- ▶ **connect you to Long-Term Services and Supports** if you qualify
- ▶ **assist you with finding services and products** (grab bars, wheel chairs, etc.) that can help you live more independently
