REPORT

COUNTY RESIDENTS RECEIVING AID DISTRIBUTION BY CITIES

(Based on data as of January 1, 2013)

Attached is information concerning distribution of CalWORKs (cash benefits), CalFresh (nutrition assistance), and Medi-Cal in the cities and communities in San Bernardino County. The benefit populations refer to persons not families. The number of persons receiving CalWORKs decreased 2.9% while CalFresh increased 5.2%. Receipt of Medi-Cal increased 7.9%. The increase in Medi-Cal is partly due to the implementation of the county's low income health plan (ArrowCare) in January 2013 in preparation for the Affordable Care Act (ACA).

Exhibit I ranks the cities with cash benefits as a percentage of the general population. The ranking ranges from a low of 0.7% to a high of 14.0%. Exhibit IA displays this information graphically.

Exhibit II displays the financial value of assistance, which includes CalWORKs, CalFresh, and Medi-Cal, by assistance category and by total for each city. For example, the annual financial value of assistance in the City of San Bernardino is approximately \$600 million. The value of assistance is based on statistics from CalWORKs and CalFresh benefit disbursement and the California Department of Health Care Services.

Exhibit III displays the population receiving aid by program and in total by city.

Exhibit IV compares the receipt of cash benefits in January 2013 to January 2012.

Exhibit V displays the total number of persons receiving CalFresh benefits by city. This information varies from the totals listed in Exhibit III in that it includes persons receiving CalFresh as a result of their eligibility for cash benefits.

Exhibit VI displays information on unincorporated areas by ZIP code. Some ZIP codes that are shared with other counties are not included. Information on cells with less than 15 persons or amounts less than \$3000 is not included.

Exhibit VII displays the amount of child-care funds paid to providers in order to assist those participating in approved Welfare to Work activities. The amounts are for the month of January 2013 and are aggregated by location of the family receiving assistance.
