SCAM ALERT

Scam Artists Posing as Government Representatives Target: All Seniors

Scam artists are impersonating government representatives and approaching seniors with offers of new programs that are only available for a fee. They may also offer you gift cards or cash cards for a fee. This is a scam and these individuals are criminals! True government representatives will never request money from you. Protect yourself by always asking for a business card and photographic identification from any person claiming to represent a government agency.

Beware of Scam Artists Posing as Government Representatives!

If someone approaches you, law enforcement recommends that you:

- Ask for the person's business card and photographic identification.
- Do not give them any personal information like your name, address, social security number, or account numbers.
- Call your Social Worker or the San Bernardino County Adult Protective Services number below if you have questions regarding a service or program.

**If you think you may be a victim of a scam, contact
San Bernardino County Adult Protective Services (APS)
at 877-565-2020 or your local police department.**
